

Sanior Class Presents tha 1969 pindrift 10 LUM4 35 caansida High School Occansida New York

a kaleidoscope of colors and people and places and memories / prismatic ingredients and characters shifting changing people who leave and come and go and people you never meet and some you'll never? forget even after this is oceanside . perhaps a part of it only minutes that were unimportant and never the important things to hold onto things we remember and times new faces new plans new ideas it is har'd to forget suddenly old, and used and accustomed unexpectedly a new time for class and not enough time ever for anything especially, sleep - a time for fun and a time for laughs and someone saying no or i don't think so controversy and heated talk and why does it matter and who cares anyway and after all this is oceanside only sometimes we remember / we came here new to it all and pushed our colors and our ways and our ideas and ourselves into the pattern and turned it and whirled sometimes with elation or cheers or it and moved with grief or worry and it twisted at our touch and a pattern emerged and it was the same after all but difand hard to hold onto ferent from the year's before or pass on or show someone else and it changed all the time even as we touched it and held it in our hands like the strings at the world in our grasp the oceanside we have hated and the oceanside we have loved alternately despairingly continually from the oceanside that was and the oceanside that is ours to the oceanside that is yet to come whose face we do not know . .

### **FACULTY**

# A Principal is a Man of Many Faces

The Class of '69 steps out into the world and takes its place as members of society. I hope your education has prepared you to be contributing members of this society. You have been exposed to vast areas of knowledge, innumerable facts and myriad experiences. You have assimilated or rejected these concepts after a personal evaluation. You have been taught the need to respect the rights of others, to exist harmoniously with others, to use your talents and skills for others, and to help others less fortunate than yourselves.

The true measure of your education, however, will not be made this June in your final examinations nor in the fall as you begin the next phase of your life. The true measure will not be recorded by any outside agency, employer or educational institution. The evaluation for the Class of '69 will be made in years to come by you, the individual members of this graduating class. You alone know what you are capable of contributing to your family, your job, your community and your world. You alone will know if you have given your best.

I hope you will be able to realize your dreams and potential. Our society needs you, your contributions and your aspirations. But there can be no half-way for you; there must be total commitment by each individual to "give the best you have". If you have learned this precept your education has been vital and valuable for you and the world.

Stephen Poleshuk Principal

What do you mean, you want to switch schools!

## Gymnastics and Dance Aid Grace and Form

The girls' gymnastics team, under the supervision of Miss Burkle, strives to develop discipline, agility and grace on the Olympic pieces, including the balance beam, uneven parallel bars, horse, free exercise, and tumbling. They compete in the Blue-White gymnastic meet in Sportnite and also on the high school level

Under the direction of Mrs. Cherry, the Modern Dance group learned to express different feelings and emotions through controlled body movements. The choreography evolved from basic steps and techniques perfected by the girls. They worked together toward a successful and enjoyable Sportnite performance

The 1968 Soccer Team achieved the distinction of being the first Long Island champions in many years. They did this in a 1-0 overtime victory over Longwood after beating Hewlett and Great Neck North for the South Shore and Nassau County Championships. Although they finished second to Massapequa in Division I play, the team came back to beat the Chiefs in a play-off.

Although outstanding stars Gary Statham (Most Valuable Player (All-Section), Chris Collins (2nd All-County Team), Steve

Backus (All-League), Al Wieden (All-League), Jerry Capone (Most Improved Player), Bill Happ, Tom Brodsky and Paul Lenok are graduating, there is a steady stream of young players. Outstanding on defense were Leon Rosenberg and Bruce Ackerman, juniors, and Tony Higgins, sophomore. Outstanding on offense were Andy Rosenberg, Andy Collins, Chris Geller, and Sal Schifilitti, all juniors.

With a J.V. record of 15-0, Coach Jan's players will easily be able to keep Oceanside as a major Soccer power.

Quarterback Steve Lucas won the team's most valuable player and back awards. He led the team in rushing and finished this season with a high passing percentage. Lucas was named all-section, with end Jim MacNamee. Angelo Natoli became rookie of the year, by adding to the team's offense with clutch receiving.

On defense, Paul Jorgensen and Jim Liotta were named all-section Mike Chazen was named outstanding on defense with "Monster Man", Liotta.

The most improved player, Gary Theobald, was indispensible along with center Tom Dunleavy, and linemen Jeff Zippin and Bob Griffith.

1968 saw Oceanside's Cross Country Team finish the season with a fine 7-2 record, placing them second in Division I. The Sailors were the only team to have three men named All-Division. They were seniors Tom Yetter and Steve Britt and Junior, Bill Paul. Due to illness, eighth place was all they could muster in the County Champs. The Bethpage Invitational was one important meet they were all ready for as they topped second place for the third consecutive year. Seniors, Jeff Kalins, Paul Katz, Ken Knutsen and Ira Mozille were indespensible, rounding out the OHS Cross Country machine. MVP Tom Yetter and Steve Britt placed in the County, but failed to qualify for the State Championship.

Bernie Hrubala and Vic Guarino finished strongly on the rings and in long horse vaulting. While Todd Rotwein improved his time in the rope climbing event. Bill Barbour added strength to the team on the high bar, and was an adequate competitor in tumbling and free exercise.

### **Endured Disappointments**

First Row — R. Gorman, S. Grower, C. De Baun (Capt.) Second Row — Mr. Imbro (Coach), D. Noon, S. Buckler (Mgr.), B. Klein, J. Alexander

This years bowling team, led by Captain Craig DeBaun, finished an impressive third in the league and twelfth in the County. Outstanding bowlers were Roger Gorman and David Noon. Coach Imbro looks forward to working with this talent next year, although many of the season's bowlers will be graduating.

The sharpshooters suffered through an unsuccessful season which was, according to senior Ken Katz,"not as good as we thought we would have." The record of 3 wins and 11 losses reflects this idea. This year's squad, composed of seniors Dick Levitan, Ken Katz and captain Randy Beck will be leaving. High shooter Randy Van Winkler and Mike Strauss are both juniors and will return. There is great hope for next year and the returning fusileers are anxiously looking forward to next season.

This year's basketball team reached heights far above those that Oceanside Cagers have achieved in the last five years. The Sailor team, seemingly unspectacular, was aided by a tremendous combination of teamwork, coaching and spirit, to make up for a lack of height. The fine skills of the cagers, not apparent at the beginning of the season, made them one of the most talked about teams in the county.

Led by captain and high scorer Jim McNamee, the Sailors finished with a brilliant 16-1 record. The cagers were handed their lone loss by Uniondale in mid-season. This loss was avenged in the last game of the season, in which the Sailors beat the Uniondale Knights by a decisive 54-44 score and a tie for the Division I championship.

The Sailors were paced by outstanding ball handler Bill Happ, Paul Lenok, the leading rebounder, and center Bill Sheron, all seniors. Junior Josh Most rounded out the starting team, and was a real asset in outside and lay-up shooting. Juniors Neal Rosenberg and Andy Manning also contributed outstanding performances.

A heartbreaking defeat at the hands of Southside in the play-offs stopped the Sailors short, but not before OHS fans had a chance to appreciate their talents. The crowning moment of the season came when captain Jim McNamee was voted onto the South Shore Team.

Outstanding juniors and some up-and-coming junior varsity men should make Sailor power felt again next year. Coach Jan deserves a special commendation for his thorough, devoted coaching.

The 1968-69 season started off on a good note as the Sailor track team won the South Shore Relays. As the season progressed, it became apparent that Oceanside was "the team to beat" in Nassau County. Bernie Hrubala, senior Steve Fleischner, and juniors Billy Paul and Andy Rosenberg set a new standard for the mile relay as they copped a second place in Madison Square Garden. Juniors Leon Rosenberg and Billy Paul, and Seniors Tom Yetter and Steve Britt, the same foursome that set the outdoor Nassau

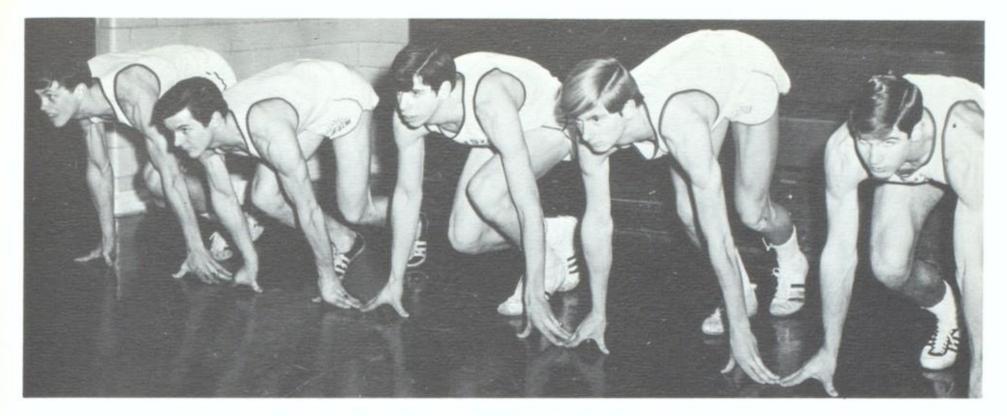

County record last year, shattered the indoor record this time. The situation was well in hand as OHS rolled over the competition to become South Shore Champs. Strong favorites to cope their third consecutive Indoor County Championship, the Sailors literally fell to third place. John Tansey began the meet with a leap of 6' 2½' in the high jump, a school record. The relay team of Mike Fasolo, Gary Statham, Fred Benanti, and Artie Sillman placed a disappointing third. South Shore Champ Bernie Hrubala, running in first place and only 100 yards from victory in the 300 yard dash, was tripped from behind, fell, and finished sixth. No foul was called. Oceanside lost a total of nine points in that event, and most important, the meet was lost on bad breaks and bad luck, but next year, Coach Hendler's perennial powers should be able to pull the weight.

The baseball team hoped to leap into contention for county honors because of experience on the field. Captains John Wagner, Matt Horn, and Dennis Leonard are three strong returning lettermen at catcher, third base, and pitcher, respectively. Seniors Tom Kramer and Bob Haff make a strong double play combination. The sluggers will be paced by the strong hitting of juniors Bob Marsicovetere, Pat Martone, and Jack Rutigliano. Soph Steve Theobald is a hot prospect as a hard-hitting outfielder.

All in all, Coach Scerbo is pleased with his depth on the mound and in the field.

## Trackmen Strive to Regain County Crown

Tradition tells us that the OHS track team is almost unbeatable in dual meet competition; so does their record of 136 wins and 3 losses. But if powerhouse teams like Massapequa and Sewanhaka have their say, Oceanside could increase the loss column. Past successes have been achieved because our track teams have had no weak points. However, this year, the field events are weak. Co-captain Gary Statham in the pole vault, John Tansey in the high jump, and Artie Sillman in the broad jump, are the bright spots in field. The running events look strong. Reigning South Shore Champ Bernie Hrubala, running the hundred with Mike Kantrowitz, and much improved

Steve Fleishner running the 220 make OHS formidable opposition in any meet.

A flock of great juniors, Billy Paul, Andy Rosenberg, and Bob Shaw will provide quite an attack in the 440. Seniors Tom Yetter and co-captain Steve Britt are running to break the mile, two mile, and half mile records. Another asset is senior Jeff Kalins, a versatile and durable distance runner.

County championship hopes hinge on the individual successes of Hrubala, Fleishner, Tansey, Statham, Britt, and Yetter, who all must have great closing seasons in order to overcome their strong opposition.

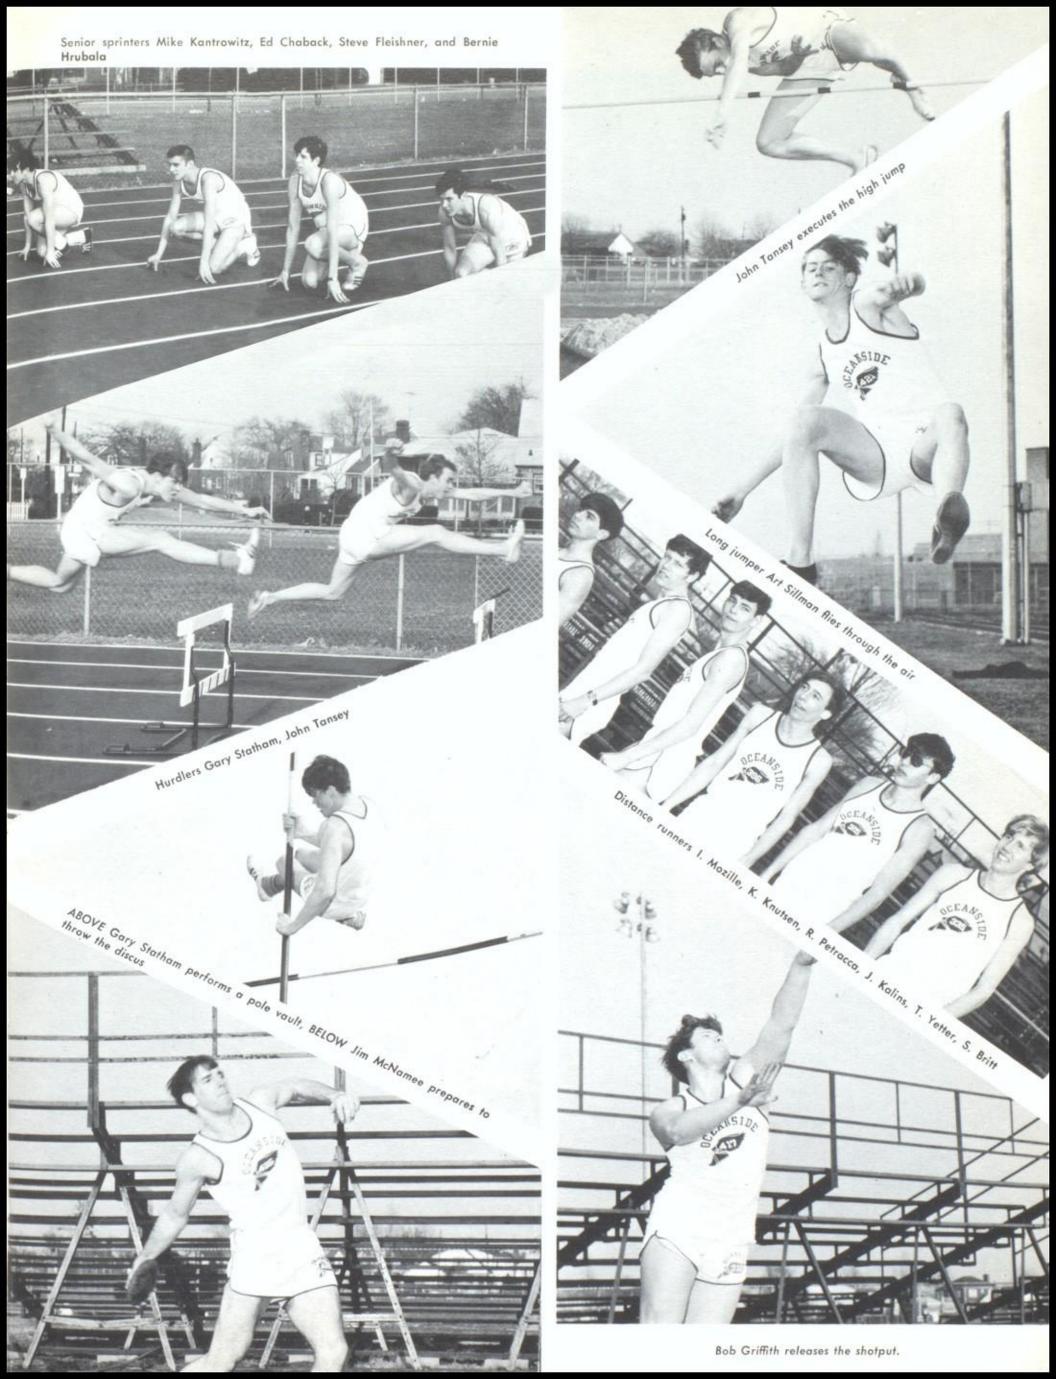

Co-captains Gary Statham and Steve Britt
